Freelance Arts Administrator Needed

Company: Bianca Paige Smith

Compensation: Certainly paid, will be discussed when we meet.

I'm seeking an exceptional arts administrator who can sit with me for an afternoon and receive my desires in terms of growing my network. This person will have an ability to then take my needs and develop a spreadsheet database of values-aligned arts organizations, artist service orgs, universities, collaborators etc whom I can begin to connect with.

I also would love this person to be able to organize what I already have and support me to develop a system to continue being able to reach and serve more artists, arts administrators and creatives with my offerings.

If you are interested, please send me an email at hello@biancapaigesmith.com and I will send you a short google form to fill out! From there we will schedule a brief chat to see if it's a fit for both of us.

Compensation will be discussed with this person and determined fairly based on both parties.

Thank you for receiving me. I look forward to meeting with you and bringing you into my vision.
