Hello, my name is Riya Kapoor. I'm a current junior at Harvard University, a professional dancer, and the co-founder and chief marketing officer of MATINET, LLC. Matinet is the first social networking and video sharing platform for serious dance online.

THE OFFER

This is a paid employment opportunity. For a commitment of roughly 20 hours a week, we will be paying you to edit our premium library of dance content, and create very entertaining and educational dance footage out of our software. You will be uploading your own reels and promoting your own brand(s) as well. You will be among the first to engage with an app that is positioned to be the next BIG thing in the dance world. To follow up on this opportunity, please email me at riya@matinet.com.
