After presenting over 200 artists since it's inaugural 2018 season, the Bridge for Dance is excited to bring back it's flagship choreographers showcase - the Uptown Rising Performance Series!

Designed with the choreographer in mind, Uptown Rising provides choreographers the space and opportunity to premiere new ideas and revisit previous works in an intimate setting. Our shows are hosted in our large studio-turned-black box space. Additionally, each audience member is given the opportunity to write down feedback after each piece, which we send to the choreographers post-performance. We then close out the evening with a moderated Q&A with all the choreographers and a brief post-performance reception.
