Our neighborhood studio offers a warm and comfortable environment and we pride ourselves on the relationships we develop with our clients & our staff. We are looking for movers and thinkers who embrace a contemporary movement approach and teach from their own creative practice.

Pilates teachers must be fully certified, mat and apparatus, and well versed with injury rehab, pre and post-natal clients. Flexible availability and a dedication to a weekly schedule is required.

Please email your resume to ashley@fortpilates.com and let us know a bit about yourself, your experiences in the wellness community and why you are interested in working with us. *No phone calls please.*
