Seeking performers, dancers, entertainers, and MCs for various events throughout the Tri-state area for an event/entertainment company. Company states: "We are looking for friendly, outgoing, good-looking performers with high energy. No experience necessary, but good rhythm is a must; the right candidates will be trained. Must be comfortable dancing and interacting with guests (both kids and adults) at events with large crowds. Preferably with valid license and car, but not a requirement. Great pay, easy money, and lots of fun! If you have the right look and the right personality, this is a perfect part time job if you're looking to earn great money on the weekends (mostly on Saturday nights)."
