Calpulli Mexican Dance Company is holding an audition for ballet folklórico dancers and/ or individuals with percussive footwork experience. The company is looking to hire part-time and project-based dancer positions for 4 women and 1 man for its performance company. In particular, we are interested in dancers with daytime availability for school-time and educational performances in the NYC metropolitan area in addition to productions and touring performances. Calpulli seeks dancers with ballet folklórico experience; experience in ballet and modern dance techniques is a plus but not required. Women with daytime availability for assemblies and school performances are encouraged to audition.
