Company: Forza Dance Company + Community
Compensation: Free event

New Years does not have to be a scary time of great change. Join us for an afternoon of rethinking, goal setting, and vision boarding. We will provide supplies, space, and communal energy to start 2023 with positive and contagious energy! We will consider questions like:

How do I want to approach dance this year?

What small habits do I have that stop me from reaching my goal?

What change do I want to see from my dance community?

How can I support that change?

NOT your typical "New Year, New Me" resolution that you'll forget about shortly after! We want you to DREAM BIGGER & BECOME BETTER ALL 2023

RSVP for in-person or virtual participation
