Compensation: \$300 plus reasonable travel reimbursement and lunch provided on performance day

APPRENTICE DANCER CASTING

Casting immediately for one day of rehearsal and one day of performances for a new original show for young audiences, Woof Woof the Shadow Pup, directed by Becca Moore Winter. The performer will be asked to learn choreography during the rehearsal and become proficient in the art of shadow dance. Dancer will be asked to be available for future performances and touring work.

ABOUT THE PROJECT

During a time when addressing children's emotional well-being has become increasingly important, Woof Woof the Shadow Pup presents families with a poignant message that demonstrates how we can help kids express their thoughts, feelings, and struggles, and how parents can acknowledge those feelings and support the child to feel understood.

We've developed a 55 minute family shadow dance production with a 6 dancer cast. Families will experience the magical transformations of shadow characters including Woof Woof the Shadow Pup and many more. We are using dance and theater as a way to convey the characters' feelings and evoke emotional responses from the audience. You'll experience visually stunning scenes, powerful dances, magical shadow transformations, and illuminating puppetry. The show is musical, delightful, visually stunning, endearing, and entertaining for both children, parents, and grandparents. Our message aims to inspire children to talk to Woof Woof at home as part of their bedtime routine, so that parents have the opportunity to learn about their children's inner emotional worlds and can support them to feel acknowledged and understood.

EXPERIENCE

Dancer must be a self-starter and work well in a collaborative environment. Dancer should possess meticulous attention to physical detail, be a fast learner, and be skilled in modern, jazz and improvisation.

CONTRACT DATES

Saturday February 11th 10:30am-5:45pm and Sunday February 12th 10:30am- 6pm at Westport Country Playhouse, Westport CT. There will be additional time to commute to and from CT each day. Must have full availability. Time for learning choreography in advance of rehearsal will be at your convenience.
