Dance Entropy is proud to announce that our next support group is open to all! Adult Support Group begins in February and is open for registration now.

Are you feeling stuck personally or professionally, and struggling with life and relationships? Are you looking to find insight, awareness and courage to break and move past old patterns that no longer serve you? In this facilitated group, we find ways of supporting the unique needs of each member, while also learning to more effectively relate to others. We become more capable of being seen for who we really are – and of seeing others as they really are.
