WADE, in collaboration with BIDE and ArtsGarden, is curating a new dance and music residency program at La Caldera Studios in Barcelona. The program is open to dancers interested in exploring new approaches to creative practices and performance by challenging their respective voices with curiosity and delving into the many intersections with live music.

Program dates: March 13-17, 2023
Program location: La Caldera studios, Barcelona, Spain

Faculty:

Giada Matteini (WADE), Somatics and Embodied Ballet | Residency Director and Creator
Sebastian Garcia Ferro (BIDE), Creative Process
Tyler DuBoys (ArtsGarden), Creative Process
Roger Mas-Babià, Music Director

Students at Dance HUB will be able to take technique and creative classes, work with international artists to learn new collaborative practices and immerse themselves in vibrant Spanish culture, all through the lens of social justice.

La Caldera is a dance creation center that promotes artistic research related to the body. It accompanies the work of artists by collecting traces for their transmission, and generating contexts for the circulation of body knowledge.

There is no application fee and we offer tiered tuition. Applications close on February 14.
