ONLINE Studies Project:

"Redefining our place as Mothers, Artists, and Immigrants in the NYC landscape"

as part of Movement Research

Saturday, April 29 @ from 1-2:30pm (NYC time)

All Studies Project events at MR are free and open to the public.

Dancers, choreographers, and dance writers discuss how they navigated the unbalanced life of a parent/art-maker. What makes a good mother? What makes a good artist?

For those women who dedicate themselves daily to nurture, protect, and guide others - is there any support for them?

This virtual encounter brings together a group of interdisciplinary artists in the dance field who are also parents, to have a conversation about how the field can provide support through resource-sharing, and create supportive environments in order to foster dialogues, appreciation, and social support.

Organized & Moderated by Anabella Lenzu

With Irene Hutman Monti, Christine Jowers, Lulu Lolo, Gabriela Ammann & Ara Fitzgerald.

Free Admission.
