Compensation: All selected artists will be offered an Artist Management and Record contract. Compensation will result from future royalties.

Seeking 1-2 male dancers (20-30) who can sing/rap (pop, R&B, rock preferred - will train if needed) and also can dance to choreography very well (you will be given a KPop song for the dance part of the audition) to complete a very unique Pop Music group. Think New Edition meets BTS.

No fees. Manager says: "This is a serious opportunity and requires a serious commitment. Selected artist will be offered an immediate Artist Management and Record contract. Compensation will result from future royalties, performances, merchandise, etc.". Cannot be under an existing contract to apply.

Note: Must be based in New York City or available/able to travel to NYC easily. Audition will be conducted via video submission.

To be considered for an audition, send all relevant info about yourself, including age, ethnicity, height, availability, contact info, related experience (if any; no experience is ok), social media links, etc. Please also provide 2 photos.

Also, you must provide a link to your singing/rapping (a self-recorded video is fine) and also a link to a video of you dancing (a self-recorded video is fine). You may use a private or unlisted video if you have a YouTube channel for this purpose, send us the link to view your videos without it appearing on your channel.
