Hi,

I'm a visual artist working on a small film project that looks at the intersection of cricket and dance/movement. I'd like to work with a dancer of South Asian descent to create movements inspired by cricket. There would be one rehearsal in addition to a half-day shoot. Both would occur in late July in NYC.

Please reach out if this sounds like a good fit for you, ideally you would be someone who has played cricket or deep familiarity with the sport.
