Seeking proposals from all multi-disciplinary, multi-diverse, multi-cultural artists! Do you want to create new work in a Harlem garden amongst the flowers, foliage and other garden critters? Music, dance, performance and visual arts. Artists will have a (minimum) six-week creation residency with regular access to Hope the Friendly Garden On the Hill (459 W 152nd St). Participating artists will receive a performance fee. Once artists are confirmed we will have garden tours, where artists can chose their site, meet me and the other contributing artists plus the garden volunteers.
