Motion State Dance Films Series, is the only year-long, traveling short dance film festival in New England devoted to showcasing the diversity of contemporary creative voices exploring the medium of choreography for the camera.

By taking the festival "on the road" and into non-traditional film venues, such as art galleries, music halls, performing arts theatres, and university classrooms, Motion State seeks to expose the films and film makers to new audiences.

Every screening is followed by a public Q & A with the curators. All festival artists are invited and encouraged to take part in the conversation, should they find themselves in the area of any given screening.
