We are very excited to open this fall a Reformer Pilates Studio in Prospect Heights, Brooklyn and are seeking motivated and dynamic instructors. The studio is part of an Australian franchise called Studio Pilates International expanding in NYC (www.studiopilates.com and Instagram @studiopilates). The challenging, fitness-based program uses Pilates reformers supported by pre-programmed on-screen instructions. This lets instructors focus on adjusting and motivating clients and providing a safe workout experience. Instructors will be working shifts consisting of two to three individual classes, mainly in the morning and evening.

We are looking for people who are excited about fitness and improving the health and wellbeing of others. If you are passionate about fitness, energetic, friendly, and willing to learn, and interested in building relationships and a welcoming community you will be the perfect addition to our team. Everyone will need to go through a training conducted by Studio Pilates International. The pay scale will depend on experience and incentivizes building lasting relationships with our clients. We are looking to create a workplace and community that is diverse, positive and fun both for instructors and clients. If you or someone you know is interested, please email fmichel@studiopilates.com.
