Hi there,

I'm Joaquin, an experienced video producer and photographer with a passion for dance. Over the past few years, I've dedicated my creative efforts to producing short dance videos, and would now love to bring my filmmaking expertise to a broader dance community. I love crafting videos that not only showcase the artistry of dancers but encapsulate the essence of their movements and the vibrant energy of their performances.

Whether you need footage for a dance reel or a dance reel edited, a promo video, or performance video I'd love to help you make something great!

Feel free to email or shoot me a text, and if you'd like to take a look at some of my past work feel free to check out the link below.
