About the Work:

Robert Moses' Kin (RMK) is seeking performers trained as dancers, with experience in acting and singing, for the creation of an anthology of original works as a part of its upcoming project NEW LEGACIES: ONE ACT DANCES! In Spring 2024.

Performers will work with choreographers, composers, and playwrights to perform a work that is complete in its own right, and will serve as a part of a triptych. Pieces will explore the theme of challenging conversations, our approach to them and how they are enacted. Strong applicants will be triple threat performers, skilled and experienced in a wide variety of performing arts disciplines to best serve each individual work.

This is a short term contract. Salary will be discussed upon contract offer.

Performers must be available for in-person rehearsals in San Francisco, CA from February-March 2024. Performers are responsible for all travel and living expenses during the rehearsal period if they so choose to participate.
