Emerging Choreographer seeking contemporary dancers for developing work premiering in January!

Hi! My name is Alanna Huling and I am a dance artist and choreographer recently entering the NYC dance scene. I have a performance coming up at the end of January that I am seeking contemporary dancers to take part in! As an emerging artist, I am still establishing myself and my work, so this will be a low-stress process. Just looking to create on some willing, enthusiastic, and wonderful movers!

Please fill out [this form](#) if you're interested! The form must be completed no later than 10pm on Wednesday, October 11th. More details about this opportunity are provided in the form.

You will hear back no later than Friday, October 13th at noon. I'm looking forward to seeing you dance, and I hope to move with you soon!
