me

Hi I am a photographer and Creative Director - I am looking for 2 dancers (one over 45!) to create 2 3 minute "still" videos in Prospect Park. The videos will be used as a visualizer for a voiceover ad for a company I am launching with a friend called Sensitive Revolution (self funded) - we connect therapeutic practices to organizational systems restructuring. First shot: We will depict two dancers pulling away from each other (either using fabric or each others hands). The second shot will be of two dancers leaning on each other heavily until they crumple. Please reach out with any more questions!
