Immerse yourself in professional technique classes and experience the creative process, repertoire, improvisation and movement styles that are necessary tools for every dancer. This intense, hands-on month of training will provide dancers with the insights, improvisational skills and creative tools that are needed by the most sought after companies and choreographers of today.

Participating dancers will be split into groups by age and merit in order to facilitate increased individual attention and direction.

SUMMER DANCE PLATFORM culminates in two public ticketed showings featuring NW Dance Project repertoire and original creation.
