JUNTOSAbroad is a two-week intercultural exchange program for college-aged emerging dance artists, created to enhance artistic, professional, and personal growth through dance service work, experiential learning opportunities, and touring repertory performances!

This program will take place May 28-June 10, 2024. JUNTOSAbroad: Guatemala will focus on how art and movement can create social change by building strong international communities. Dance volunteers will travel through the Guatemalan highlands to Mayan villages and urban centers, learning about local cultures and traditions, engaging in community outreach with women and children's organizations, and collaborating with emerging dance artists, centers, and companies, some of which we have been working to help develop since 2011.

Are you ready to embark on an unforgettable cultural journey to Guatemala? JUNTOSAbroad offers an immersive experience like no other, combining education, adventure, and cultural exploration.

Our next info session will be held Sunday, December 10 at 6:00pm ET. Register for the info session [HERE!](#)
