NW DANCE PROJECT - MOVE
JUL 2 TO 12 / 2024

NW Dance Project is offering a unique, creative and enriching two-week residency designed for professional level dancers (21+) seeking to immerse themselves in creative processes with leading international contemporary choreographers [ETHAN COLANGELO](#) and [NICOLE VON ARX](#) and other dance artists, teachers, and mentors.

Under the mentorship of Artistic Director Sarah Slipper, MOVE is conceived as a way to help dancers move, create and connect with our director, guest choreographers and other dancers, be inspired, and activate their artistic and physical practices in a spacious and stimulating environment.

MOVE brings artists together into an immersive company environment to MAKE creative work while being mentored to push and develop their curiosity, creativity, versatility, and capabilities with maximum concentration and focus.

We are looking for dancers that have an extensive background in ballet and contemporary dance training, are curious, open and seeking an artistic endeavor.

Participation in MOVE is limited in capacity so dancers and choreographers can connect and collaborate as a unified company.
