### 2024 PASS Open Call

#### OPPORTUNITY

Snug Harbor Cultural Center & Botanical Garden (Snug Harbor) is excited to announce its annual open call for the Performing Arts Salon Saturdays (PASS) artist residency and performance program. Snug Harbor is soliciting applications to select four (4) residencies\* that will support the creation and development of new works in dance, music, theater, and multi-disciplinary performance.

Selected artists have access to live and work in one of our historic cottages, with studio space available in our Dance Center. At the end of each residency, artists share their work with the community in a culminating work-in-progress performance. Performances have taken place across our 83-acre campus: in the Dance Center, Newhouse Center for Contemporary Art, and in various gardens and meadows. The primary goals of PASS are to provide time, space, and support to artists in the development of their work.

PASS is a unique, sought-after opportunity offering space for living, creating, and presenting new performance work in New York City. Snug Harbor is proud of its role as an arts incubator for artists to explore new dimensions in their practice.

\*Note: one additional PASS artist is selected annually in partnership with the CUNY Dance Initiative, with a separate application process that is currently closed.
