Join Thryn Saxon, director of SAXYN Dance Works, and guest teacher Brad Beakes for the company's next partnering workshop on March 30th!

These workshops are designed to empower movers to feel confident and strong in partnering work. With an emphasis on communication and cooperation, class will explore partnering choreography, weight sharing fundamentals, and techniques of lifting/being lifted. Throughout class dancers will swap partners in order to experience different weight centers and movement knowledge.

We encourage everyone to come with an open mind, ready to learn, offer, question, and connect.
