PLEASE READ THE INFORMATION BELOW CAREFULLY!

Applications are open for Spring for Spring, a dance festival to be presented on June 9, 2024 in Edgerton Park, New Haven, Connecticut! Both new and existing works are welcome, and each work will be presented only once over the course of the day. The June 4th performances will take place outside, and a padded floor with marley over the top will be laid down to accommodate; the floor will not be sprung, but it will be soft enough for floorwork and highly physical movement! For percussive dance makers, there will be access to 3x4 and 2x4 foot tap boards. The deadline to apply is May 5, 2024. Artists will be notified by May 15 regardless of status. If your piece is accepted, you will have three days to confirm your participation and one week submit your program information, technical information, publicity photos, and sound file. Choreographers whose work is chosen are expected to help populate the audience, and we will provide marketing materials to the artists. Choreographers will receive complementary selected photos of their piece and a video of their work. Proceeds from donations and ticket sales will be split between the artists after the shows.

We will also be selecting one choreographer/group for Festival's Choice. The selected choreographer/group will be offered a short residency or feedback and mentorship. Details will be further worked out with the artists once they are selected in order to suit their needs as best as possible.

Line-up will be different from performance to performance. Proposed piece must be under 10 minutes.

Affordable class series will be offered week before festival in NYC. Rain plan will be to perform inside on same day. Transport from train station to park will be provided!
