Artist Residency: Digging In Group at Green Space

D.I.G. will provide 8 choreographers the opportunity to develop and share new work during 8 mentor sessions, ending in two culminating Take Root performances on May 15th-18th. Performances will be produced with full production values including publicity, marketing support, programs, lighting & sound, box office, and house management. D.I.G. also includes an artist stipend, discounted studio space, and performance photo and video footage.

Each 2-hour session will be moderated by a rotating member of the Green Space Advisory Board. During these sessions choreographers will present their work at various stages to their cohort, followed by a moderated peer discussion, enabling choreographers to receive informative feedback in a supportive environment.
