ABOUT THE OPPORTUNITY

WHAT: A paid, week-long Sound and Movement Workshop, with a public, in-progress presentation.

WHERE: HERE Arts in NYC

WHEN: October 28-November 2

WHY: To explore characters and concepts in a world-building lab, record devised musical material, and develop a movement vocabulary

A note from composer/creator, Stacy Busch: "She Breathes Fire is a new opera for voices and electronics, which dismantles patriarchal systems and toxic gender binaries by recontextualizing the Hero's Journey. I have created a fantasy world of my own imagination that explores the heroine's journey throughout many ages, characters and landscapes."
