GRANT DETAILS AND PURPOSES

Grant Recipients will be able to premiere their pieces in New York City in March 2025. Eryc Taylor Dance will provide the venue, lighting and sound technicians, and a maximum of six lighting cues per 15-20 minute piece. The grant funds may cover additional costs that Eryc Taylor Dance approves. Additional costs might include venue rental for auditions, rehearsal space, fees, costumes, music, and payment for dancers. No sets, water, special effects, or elaborate lighting will be allowed. Eryc Taylor Dance may approve the use of props, live music, or elaborate costuming on a case-by-case basis.

Before receiving grant funds, selected recipients must provide Eryc Taylor Dance with a detailed budget, audition schedules, rehearsal schedules, and venue rental information. The Artistic Director of Eryc Taylor Dance will attend rehearsals and provide advice or critiques on the performance piece.

Grant recipients will receive funding in two installments. The first installment of \$500 will be within two months following award notification. The second installment of \$500 will be on the first of the month following the 2025 NCG concert.
