Join the movement today and become a dance diplomat with Movement Exchange! Every year we host multiple international dance exchanges to Panama for dancers and movers around the world. Our exchanges are 8 days long and include volunteer teaching of dance classes to under-resourced youth in Panama City, taking dance classes from professional artists in local dance styles, and excursions to learn about the history and culture of Panama. Next summer we will be having our open call exchange that is open to all dancers and educators from around the world. The dates of our two open exchanges are May 24-31, 2024 and August 10-17, 2025 and will include participation in our Annual Show in a prominent theater in Panama. Come get outside your dance bubble this summer and meet other artists, experience dance as a universal language, and connect to your dance practice in a new way. Applications available now at www.movementexchanges.org!
