This curation of up-and-coming artists will highlight the expansiveness of dance, featuring works in post-modern, contemporary, and jazz styles. This program explores a spectrum of ideas, from the energy of Keith Haring's artwork to the commonalities between human and animal experiences.

FEATURING CHOREOGRAPHY BY Aryanna Allen, Guillermo Castro, Morgan Cogley, Sophie Jivotovski and Isabel Heard, Amina Kolenc, Amelia Larson, Anne Mohan, and Katie Sponenburg.

All 9 choreographers are based in NJ/NYC, but have roots across the country and the world.
