Job description

CREA Interactivity is seeking enthusiastic and experienced instructors to guide elementary school-aged children through an interactive tech-driven experience designed to get them to move.

You will be responsible for guiding children (ages 4 – 12 years old) through our continuous action-packed 60-minute experience where players enter into an immersive technologically-driven environment with futuristic obstacle course zones that combine technology with traditional play/games. We offer drop-in adventures, after-school, camps and birthday parties. See CREA's website: <https://creainteractivity.com/> Instagram: @creainteractivity

Job Requirements

Have a strong background in teaching and a passion for engaging young learners in active, fun, and educational activities. Must feel comfortable and able to instruct hour-long physical activities with children sometimes several times a day. Previous experience working with elementary aged children and/or a background in early childhood education as it relates to dance, gymnastics, physical education, camp counseling or related fields is preferred.
