Hello!

I am an actor looking to build some dance/performer websites for free to get the word out about my work!

As this is a pro-bono project, I am open to building a few industry standard websites for free in exchange for a social media performative shoutout afterwards, so you can share your honest experience working with me while promoting your new website.

Web design examples of my work:

Please shoot me a text or email me to be considered.
Looking forward to connecting with a few of you on here!

Best,
