About The 46 Minutes Collective: The 46 Minutes Collective is a non-hierarchical performance collective founded by artists committed to nurturing and producing boldly original, interdisciplinary time-based work. We aim to bolster emerging artists in their pursuit to push the limits of form, challenge the purity of medium, and foster collaborative processes. Our works exist in the in-between and the surreal; they tap on the fourth wall in a quest to make art that is accessible and creatively adventurous.
