Alternative Synergy The Company is seeking a skilled and reliable AV Operator to manage sound and basic lighting for our upcoming performances. The role involves operating sound equipment and overseeing three simple lighting changes during the show.

If you're passionate about dancing, have basic experience with lighting, and an eye for detail, this is the perfect opportunity for you! We're looking for someone who enjoys exploring performance spaces and lighting while having fun in a collaborative and creative environment.

•Dates & Times:

- Friday, March 7th 6 PM - 8 PM
- Saturday, March 8th, 6:30 PM - 10:00 PM

Compensation: \$30.00 per hour for 6 hours total (\$180.00).

Requirements:

- Experience with sound equipment and basic lighting operation.
- Availability for the specified dates and times.
- Passion for dance and performance environments.
- Attention to detail and ability to follow cues accurately.
- Professionalism and a collaborative attitude.

This is a great opportunity to work with a multidisciplinary company known for pushing creative boundaries in storytelling and movement.
