Want an internship that truly adds to your resume? Interning in arts administration with mignolo arts might be just the thing for you!

Our interns work on projects that they can take pride in, taking ownership of their achievements that tangibly translate to their resumes. To assist in training and education, higher education students can also use this opportunity to gain college credit. We are specifically looking for an intern to assist our Executive Director with fundraising-related tasks.

This internship is mostly virtual work with some in-person requirements for specific events. If interested, reach out to Tobi Santagado via email at info@mignolo.art or DM us @mignoloartscenter
