The PCDC Summer Intensive is a 10 day period of immersive training, creative process, and repertory performance for dancers ages 17+.

Participants will study with Artistic Director Igal Perry and renowned guest faculty members from PCDC repertoire for an intimate experience grounded in PCDC's core principles of education, creation, and collaboration.

The program will include classes in Ballet, Contemporary, and Repertory, among others, and culminate in a performance at Peridance's KnJ Theater. Daily Industry Chats and group discussions with faculty and company dancers will provide each student unique mentorship and insight into the field.

Join PCDC this summer to develop your movement potential, enrich your artistic voice, and connect with an international community of dancers.
