MANX, short for Movement Arts Nature Exchange, is a dance/opera fusion company using education, collaboration, and podcast and blogging platforms to help singers and dancers integrate these two disciplines together in accessible and creative ways.

MANX is offering a FREE "Movement for Singing" workshop, open to dancers and singers. This workshop uses somatic based movement to help integrate dance with classical vocal technique. Prior singing experience is helpful but not necessary- the workshop is designed to help beginning level singers feel more comfortable experimenting with their voices, so beginners are encouraged to attend!

To sign up, please register via the QR code in the accompanying image, or at <https://www.manxoperaanddance.com/take-a-class>.

Questions about the workshop can be directed to Melanie Holm, MANX Artistic Director, at manxoperaanddance@gmail.com
