Dual Rivet is excited to offer another 7-hour, high intensity workshop comprised of the key technical and theatrical elements the company works with. This year's Faculty includes Dual Rivet, Kimie Parker / Sidra Bell Dance New York, and Isadora Wolfe/Punchdrunk! The workshop will dive deep into theatrical exploration, floorwork technique, states of tension, improvisation and partnering repertoire. This workshop is designed to push our understanding of our physicality as movers, explore our technique through physical communication, and delve into exciting character development. We are so excited to share our highly physical, contemporary movement with the community.
