Applications close Monday 3/31 for the eighth annual T2 ChoreoFest.

Professional Development for Emerging Choreographers: T2 ChoreoFest provides professional development, resources, and support for emerging choreographers. Mentors from professional dance companies provide daily feedback for the choreographers who undertake three rehearsals working with the T2 Company Dancers.

Selected Choreographers will have two hours each day (3 days of your choice throughout the week) to work with a T2 Company Dancer. The final day of the program will present an informal performance open to the public. One Choreographer will be selected to continue to work with T2 Dance Company to set a work presented at T2's Fall production.
