Seeking a skilled technical director for lighting and sound for United Solo Theatre at Theater Row (410 West 42 St, NYC)
Festival runs March 17- April 20, 2025
Ideal candidate will have a passion for lighting designs and possess technical expertise in handling lighting equipments.

Responsibilities

- Proficiency with ETC Element console, soundboard (Allen & Heath Digital Mixer), and Q-lab.
- Ability to work with projector is a must (many shows uses this.)
- Must be able to work quickly, calmly and efficiently as this is a fast moving festival.
- Strong communication & time management skills as will be expected to work with artists independently.

Experience

- Proven experience working as technical director for lighting and sounds in live events, theater or similar setting
- Proficiency in using lighting console & Qlab
- Knowledge of electrical system and circuits
- Strong troubleshooting skills to address technical issues efficiently
