CASTING FOR ARTISTS!

We're casting The Music St. Dolls—NYC's newest, dance troupe for an upcoming streaming variety TV show that's set to shake up the scene!

The Music St. Dolls will be the resident dancers for NYC Music St., a bold, high-energy streaming podcast/variety TV show blending live music, stand-up comedy, and artist showcases into one unforgettable experience. Think Pussycat Dolls meets Playboy After Dark—but with a fun filled Austin Powers vibe.

We're looking for dynamic, versatile dancers and entertainers —capable of doing interviews is a plus.—think Jenny McCarthy smart mouth edge. Actress types with singing abilities a plus. Styles we love include:

Burlesque

Improv

Rock and Roll

Blues

Cabaret

If you can light up a room, move a crowd, and own the spotlight—we want you.

Multiple castings- upcoming netflix show, live events, benefits include national caliber Harley Davidson of NY Bikers against BREAST Cancer in June. -

Upcoming paid gigs 40-300

Participants receive copy, credit and studio time.

All welcome, but priority will be given to those who submit in advance.

Come dressed to move and show us your unique style! The Music St. Dolls will not only perform in front of a live audience but also be featured in streaming broadcasts, with the chance to work alongside NYC's top bands, comics, and artists. This is your shot to be part of something fresh, sexy, and truly exciting. Music Street NYC will be a pilot submitted to Netflix.
