DANCER CALL – MAY 24 PERFORMANCE

Kinetics with Karley is casting 2 performers for the next iteration of our immersive performance series:

- Performance Date: Saturday, May 24 | Show: 7:30 PM
- Call Time: 3:00/3:30 PM
- Location: Satellite Art Show, NYC

This is a 1-hour experimental performance and part of Growing Takes Time — a larger immersive work-in-progress that blends childhood games, Jiu-Jitsu, and contact improvisation into a live arcade-style experience.

Audience members move through the space like players in a game, triggering tasks, relationships, and conflict in real time.

NOTE: This is NOT full-out dancing for an hour—there are built-in pauses where you'll be still, waiting, or inviting interaction, like an arcade character awaiting activation.

? What we're looking for:

- Strong background in contact improvisation, partnering, and/or Jiu-Jitsu
- Immersive performance experience—must be confident engaging with audience members
- Comfortable with playful intimacy, including satirical sensuality (Jiu-Jitsu-based positioning, scoots, eye contact, giggles)
- Comfortable blocking eyebrows (part of costuming/character look)
- Comfortable making verbal sounds (e.g., Pikmii-style noises, growls, and grunts)

? Rehearsals:

- Three 2-hour rehearsals | Times TBD based on mutual availability

? Compensation:

- Base pay: \$100 performance day
- RESHEARSAL COMPENSATION: \$20 per hour (\$120 total)
- Additional pay may be added based on ticket sales & donation split
- Early collaborators are first in line for future iterations, which offer higher base pay as the work develops (as seen in BoneDaddy's Bacchanal)
