The Craft: Performances & Cocktails is looking for contemporary performance works for our next series on Governors Island. In collaboration with Threes Brewing, The Craft aims to celebrate and provide a platform for local NYC craft through performance and cocktails.

We are looking to showcase 6-8 completed or work-in-progress theater or dance pieces of all genres for a special Governors Island edition of The Craft at Threes Brewing's summer pop-up location. Artists should be the creator/originator of the piece they are applying with.

This is a completely self produced and donation based program. All proceeds collected during our shows will be divided evenly among our artists.

Please note that this outdoor space (approximately 26 x 30) is an intimate, grassy venue with very little tech capabilities (basic audio output, natural lighting only, limited seating, etc). We are looking for works that will utilize this to the best of their ability. Application decisions are based on this, as well as the curatorial nature of the series.

Date: Sunday, June 29th @ 4pm
*must be available on Sunday, July 13th @ 4pm as a rain date, and must be available to tech at approximately 1pm on both dates.
Location: Threes Brewing on Governors Island
*This location requires the purchase of a ferry ticket, which will be reimbursed by The Craft for all performers.

Application deadline: Friday, May 23rd at 11:59PM
