SUMMER INTENSIVE 2025

Monday, August 4th - Saturday, August 16th

Overview

Directed by Ronald K. Brown and Arcell Cabuag, the SUMMER DANCE INTENSIVE offers today's pre-professional and early career dancer a complete schedule of technique classes, repertory, mentorship and performance opportunities. The curriculum is designed to strengthen the versatility and virtuosity required of today's professional dancer.

The two-week, full-day DANCE INTENSIVE includes daily technique classes, where dancers will be guided through a series of stretching and conditioning exercises all in support of their flexibility, strength, and overall fitness. Information about injury prevention and techniques to maintain physical readiness will also be offered. Classes will end with signature movement phrases found in the choreography of Ronald K. Brown.

Repertory classes will supplement the warm-up and technique classes, allowing dancers to experience a professional rehearsal process. Dancers will not only learn EVIDENCE repertory, but also the fundamentals and expectations of a professional dancer in the rehearsal space.

Mondays - Fridays 11:00AM - 5:00PM
