Hello Fellow Performers!

I am a professional web designer and looking to get more into the dance community and am willing to build a few websites for free to get the word out about my work!

As this is a free web design project, my wife and I have availability to take on about 6 volunteers where we will build you a website in exchange for a social media performative shoutout afterwards, so you can share your honest experience working with us while promoting your new website. This helps us get potential referrals :)

Website Examples:
