Imagine Dance Competition

We are looking for a professional hip-hop dancer/choreographer to teach during our week long intensive from August 18th to the 22nd. As a studio, we run master classes for students ages 6-18 who are part of our competition dance team to help the kids get back into shape, expose them to new teachers/choreographers, and possibly choreograph pieces for the upcoming season. Instructors will teach either one or two days during that week depending on availability. Classes typically run anywhere from 1-2 hours (we are open to suggestions depending on your preference) and you will teach 4 different age groups (petites, juniors, teens, and seniors). Please let us know if you are interested!
