Imagine Dance Competition

We are looking for a Musical Theater dancer/choreographer to teach during our week long intensive from August 18th to the 22nd. As a studio, we run an in-house intensive with master classes for our competition dance team that exposes them to new teachers/choreographers and opens up opportunities to choreograph dances for the upcoming competition season. Instructors will teach either one or two days during the week, depending on availability. Classes typically run anywhere from 1-2 hours (we are open to suggestions depending on goals and preferences) for each age group (petites 6-8, juniors 9-11, teens 12-14, and seniors 15-17). Please let us know if you are interested!
