HEY! My name is Bryan, and I would loveee to extend my photo range into dance and add to my portfolio :) I'm offering these three different packages below (All Packages include headshots, which are optional). I've been working as a photographer with a dance competition for the past 8 months and have absolutely fallen in love with capturing the way dancers move and the authenticity that flows from their movements. I've recently moved to NYC and would love to connect with you all, so please reach out and let's capture some movement!
