### ABOUT

BDT's Immersion Projects are designed as a rigorous training experiences for motivated dancers, ages 18 and older, within a professional contemporary dance company environment. Participants will study, rehearse, create, and perform with co-artistic director Jessie Jeanne Stinnett and members of the company. All students will take daily class taught by current company members.

All Boston Dance Theater Immersion Projects can also be used as an audition for BDT's Trainee Program or Apprentice positions.

The Winter Immersion Project (WIP) takes place in January. WIP is a choreography-based workshop for dancers to learn, create, and experiment with new movement material through the exploration of composition and choreographic tools that come from a variety of practices. Practices shared/taught at WIP draw from BDT's artistic processes and are facilitated by current Core Members.???
